

The 2008 Gold Ink Award Winners

PRINTING IMPRESSIONS is proud to present the Gold, Silver and Bronze winners of the 2008 Gold Ink Awards, co-sponsored by Heidelberg and Quebecor World. More than 1,400 entries were received, some from as far away as Hong Kong and Australia. Judging was held within 46 categories. The award-winning companies and their outstanding work will be honored at the annual Gold Ink Awards/Hall of Fame Gala, which will be held this month during the Graph Expo show in Chicago.

Don't send your old paper cutter into retirement. Let microcut® rejuvenate it.

Boost your paper cutters performance, with intelligent controls, greater reliability, and higher productivity with the smart new engine called microcut. This advanced computerized system automates backgauge positioning. Its precision programming is accurate to .002 inches, which can make your old cutter 50% more efficient. The top-of-the-line microcut PLUS NT is CIP3/4-enabled and network compatible. So even the most complicated jobs run smoothly from designer to printer to final cut. **It's not time for a new machine. It's time for a new way of thinking. microcut.**

For more information, call C&P Microsystems: 1.707.776.4500
